7:30-9 am; 3-5 pm
Used Uniform Sale

Nov 1
BHCS Fall Auction/Raffle

News from March and April...

- Christi did a great job of incorporating the school's events into the latest parish issue of **Treasures**.
- Per the **Board of Education request**, an additional \$20k has been transferred to the school's general fund.
- Thank you to Jason Wester and Chris Paca for organizing another great **Hayes Hustle**, April 11/12. 120 kids and 366 5K runners/walkers registered; 247 adults participated, despite the chilly weather. Thank you to all of the people who helped solicit the sponsors, guard the intersections, serve the refreshments, manage the packets and record the scores, making the Hustle a very reputable event for local and Quad City runners.
- The H&S board is in the process of selecting the scholarship recipients. We are also drafting next year's budget to be approved at the May meeting.
- Final preparations are underway for the **Hayes Ball on April 26th**. It is going to be a fantastic event, profitable for the school as well as a great social and dining opportunity. Please sell as many tickets as you can and return the remainder to the school as soon as possible.
- Dave Fowler has done an excellent job of gathering specifications and zoning regulation information for a **sign to display school announcements in the front lawn**. The idea would be to incorporate the new features with the existing brick sign. We need the approval of the Board of Education to proceed in conjunction with the building renovation project.

Volunteers Needed

We need a volunteer for next year's **Vice-Presidential** position. The Vice-President serves as the President the following year.

We also need a **Food Coordinator**. Kamentha has done a great job making notes to make this job as smooth as possible (thank you!).

The next couple years are going to be a time of very positive growth for our school. Please prayerfully consider these needs and contact Michelle Spellman (263-7247) if you are interested.

May 20 H&S Meeting Agenda to include...

- Approval of next year's budget.
- Selection of the January 2009 catalog sale company. Jaxco has provided a spring catalog that may meet our needs. Please bring any other ideas to the meeting for voting consideration.
- Update on building renovation project plans.
- Approval of next year's Vice-President.
