*Faith Alive and Active*

---

## School Philosophy

Bishop Hayes Catholic School provides a faith-based education to students in Preschool—5th grades. At Bishop Hayes, the staff promotes spiritual and academic growth with consideration of physical, emotional, social and psychological factors.

Our goal is to develop students with sound moral principles, a sense of social justice, leadership skills, and academic excellence. Students are expected and encouraged to make responsible choices.

Bishop Hayes affords a special blend of staff, students, parents and community that enhances the elementary school experience by setting an example of life lived in harmony with one's religious beliefs, concern for fellow human beings, and development of special talents.

## Facilities

BHCS facilities include nine classrooms, a chapel, full-size gymnasium, kitchen, computer lab, media center, playground, athletic fields, nature center and a prayer garden.

## Curriculum

BHCS provides art, music, physical education and computer instruction to students in grades K-5.

*Teacher reading to Kindergarten students*

*Ash Wednesday school Mass*

## Parental Involvement

Studies have shown that students have a more positive experience, both academically and socially, when parents are involved in their education.

Bishop Hayes fully embraces this concept and encourages and anticipates parental involvement.
